# WHY THE TRAVEL INDUSTRY?

A large commercial airplane is shown from a low-angle perspective, flying towards the viewer. The sky is a mix of blue and orange, suggesting a sunset or sunrise. The airplane's wings, engines, and tail are clearly visible.

**7.6 trillion U.S. dollars in 2016**

**4.1 billion international arrivals per year**

**Individual Avg Spend \$1,200 per year**

# THE PROBLEM: TRAVEL DUOPOLY

All the big travel websites are owned by **two** key players.

# THE PROBLEM: RATE PARITY

**Rate parity:** Legal agreement between hotels and online travel agencies stating that there is no price undercutting. Consistent rates across all distribution channels.
